MARUBENI-ITOCHU TUBULARS OCEANIA PTY LTD

HEALTH & SAFETY POLICY STATEMENT

Marubeni-Itochu Tubulars Oceania Pty Ltd (MITO) is an Australian registered company established to market the supply and manage stocks of steel tubular goods for the Oil and Gas industry in Australia, New Zealand and Papua New Guinea.

MITO is committed to protecting the health and safety of all employees, contractors and visitors.

MITO demonstrates this commitment through its Business Management System which integrates Quality, Health, Safety and Environment systems.

MITO is committed to:

- Compliance with all applicable health and safety regulations, laws and standards.
- Maintain and actively promote safe work practices and continuously improve health and safety performance.
- Providing safe plant and equipment and provide protective equipment necessary to perform work in a safe manner.
- Ensure our suppliers understand and uphold our commitment to maintaining a healthy and safe working environment.
- Implementing a risk and hazard management system with relevant and suitable risk exposure.
- Maintaining relevant policies, procedures and organisational structures to support and communicate effective health and safety practices.
- Providing necessary information, instruction, training and supervision of our employees to enable them to perform their work safely.
- Establish clear targets and objectives to improve health & safety in the workplace.
- Actively respond and investigate all incidents and ensuring all injured employees return to work at the earliest possible opportunity through equitable claims management and rehabilitation practices.

The Quality policy and the Environmental policy Statements are to be read in conjunction with this policy and are part of the planned approach MITO has towards our commitment to QHSE.

Safety in the workplace is the responsibility of all, and MITO will encourage this attitude at all times.
