

# Marubeni-Itochu Tubulars Oceania Pty Ltd

## Value Statement

At MITO:

- We are dynamic and innovative.
- We are trustworthy and honest.
- We are committed to providing quality products and services at competitive prices.
- We are committed to providing value added solutions for our customers and contributing to society through distribution of tubular products and services.
- We pride ourselves with OCTG and Line Pipe knowledge and technical expertise.

## Strategy

- To be the leading tubular supply and service company for the Oceania region.
- To set new standards, second to none, by providing our customers with innovative world class supply chain solutions.
- To offer end-to-end supply chain management designed to suit customer needs whilst adding value.
- To be profitable, efficient and financially sound.
- To maintain the highest ethical standards, a genuine respect for humanity with a real concern for the environment.
